### Pancake Breakfast at Georgia Avenue & Bayview schools

As planned, two more pancake breakfasts were held at two of our needy schools. On May 18, and May 26, 2006 we were at Georgia Avenue and Bayview schools respectively. The following Bro. Knights volunteered and worked at one or both of these events: **Claude Francoeur, Brian King, Doret Landry, Dan DePape, Rick Jones, Joe Walker, Vic Uniat, Curly Greene** and **Bill Smith, Sr.** They arrived at 6:00 a.m. on these two balmy spring mornings to set up and get everything ready. By 8:00 a.m. the first students arrived, and before long the entire gymnasiums were filled. The hot, delicious pancakes and sausages helped to transform the inside of the schools to places of laughter, warmth and happiness. The pancakes & sausages must have been really tasty: one young girl ate 5 sausages and 7 pancakes!! We were very pleased to have been able to serve over 375 children, parents and teachers at the Georgia Avenue breakfast, and some 250-300 at the Bayview School event. These were very gratifying experiences for all the Brothers involved, especially the realization that, at least for that one day, they had made a real difference in the lives of these children. Well done Brothers and our sincere thanks.

### Bingo

We have completed our responsibilities as bingo paymasters for the current year. Thank you to Bros. **Dan DePape** and **Claude Francoeur** for doing all the work. In addition, our special thanks to Bro. **Claude** for not only working at the bingos, but also taking care of all the administrative responsibilities. Thank your Brothers for your great dedication.

### On the Lighter Side ....

There were four country churches in a small Texas town: Presbyterian, Methodist, Baptist, and Catholic. Each church was overrun with pesky squirrels. One day, the Presbyterian Church called a meeting to decide what to do about the squirrels. After much prayer and consideration they determined that the squirrels were predestined to be there and they shouldn't interfere with God's Divine will.

In the Methodist Church the squirrels had taken up habitation in the baptistry bowl. The deacons met and decided to put a cover on the baptistry bowl and drown the squirrels in it. The squirrels escaped somehow and there were twice as many there the next week.

The Baptist group got together and decided that they were not in a position to harm any of God's creation. So, they humanely trapped the squirrels and set them free a few miles outside of town. Three days later, the squirrels were back.

But the Catholic Church came up with the best and most effective solution. They baptized the squirrels and registered them as members of the church. Now they only see them on Christmas and Easter.
