Since a very effective tool to sell tickets is handing out of specially designed business cards to interested prospective buyers, we have created a template for just such purpose. You will notice that the cards not only contain the URL but also a QR code which can be scanned right into a cell phone or tablet and immediately connect you to an identification page and then the purchase web site — super easy and quick!!! I have created a pdf template file, for 10 cards per sheet, to be used with **Avery 8371** or **Staples** compatible card stock for those of you able and willing to produce some of these cards on your printers. If you wish to use this template, please contact me. If on the other hand you can not print these cards yourself and wish to use them, again please contact me as well, and I will be happy to produce some and get them to you.

On the Lighter Side

He died last fry day. Thank God he wasn't beaten. Don't worry, he went over easy. He's now on the sunny side. He's definitely in a better plate.

On the new Fraternal Year

As we start another year of service to our Church, community, youth and those less fortunate, it is important that we all look back for a moment at last year and ask ourselves, "What did each of us contribute to the advancement of our Order? Could I have volunteered more of my time and talents? Did I really pull my weight or did I just ignore the issues and let someone else take care of things?"

Time and again we have to stress the importance of members to volunteer their time and talents. As a council, we are all aware that if the membership does not get involved, we all miss the opportunity to fulfill the very reasons why we became Knights --- to serve whenever we can. Let us never forget the exhortations some years ago of our former Chaplain, **Fr. Waldemar Podlasz**, namely that "Our God is a powerful God who has given us many blessings, and who now expects us to do our part by using the gifts that we have been given". To all Brothers who have generously volunteered over the past year, thank you! It was because of your generous support that we were able to accomplish the many projects that we did. For those who were not able to be involved, we encourage you to come forward this year and offer your services. We really do need you; your presence will make a difference! Thank you and God bless you and your families. *H-JF, editor.*
