Pancake Breakfast at Bayview School

As planned, a pancake breakfast was held at another one of our needy schools. On December 14, 2018, we were at **Bayview School** to serve a breakfast for the whole school. Bayview School is one of three schools at which we provide nutritious breakfasts. Eight Bro. Knights worked at the event: **Ed Campbell, Jim Cassino, Brian King, Claude Francoeur, Greg Large, Barry Webb, Dan DePape** and **Hans Fadum**. They arrived at 6:00 a.m. on a rainy, wintery morning to set up and get everything ready. By 8:00 a.m. the first students, parents, teachers, and whole families arrived. The hot, delicious pancakes and sausages were thoroughly enjoyed by all as was evident by the many happy, smiling faces, and the numerous repeat servings. Well done, Brothers!

viding treatment consistent with the standards of NUCCA. "No small detail was overlooked in Dr. Ingram's quest to continue perfecting and advancing the technology needed to employ the NUCCA methods effectively. Chiropractors today can rely on Dr. Ingram's inventions to fine tune their treatment, to make more accurate adjustments, and to provide highly reproducible X-rays". Congratulations and thank you, Bro. Dwain, for your life long service and the great contributions to the engineering side of chiropractic care!

On the Lighter Side

Johnny was visiting his friend Murphy, who had acquired two new dogs, and asked what their names were. Murphy replied that one was named Rolex and the other Timex. Johnny said, "Whoever heard of someone naming dogs like that?" "Dats easy" answered Murphy: "They're watch dogs."

Bro. Dr. Dwain Ingram Honoured

On Saturday, November 24, 2018, members of the general community, friends, former patients, and colleagues of the chiropractic fraternity, came together to honour our brother Knight, **Dr. Dwain Ingram** for his life long work in improving ways in chiropractic care. Bro. Dwain "was the first to bring a unique method of chiropractic treatment known as
